

§ 4010.9

29 CFR Ch. XL (7–1–13 Edition)

(f) *Multiple employer plans.* If, with respect to a multiple employer plan, the actuarial information required under this section 4010 for the plan year ending within the filer's information year has been filed under part 4010 by another filer, the filer may include this actuarial information by reference. The filer must report the name, EIN and plan number of the multiple employer plan and the name of the other filer that submitted this information.

(g) *Previous filing for plan year.* If the actuarial information for the plan year as required under this § 4010.8 has been submitted by the filer in a previous 4010 submission, the filing may include that actuarial information by reference to the previous submission.

(h) *Special rules for plan years beginning before 2008.* For plan years beginning before 2008:

(1) The requirements of paragraphs (a) (5) through (8) of this section do not apply.

(2) The references in paragraph (a)(9) of this section to ERISA section 303(k) and Code section 430(k) are replaced with references to sections of ERISA and the Code, as in effect before amendment by the Pension Protection Act of 2006, Public Law 109–280.

(3) Instead of the requirement of paragraph (a)(11) of this section, the actuarial valuation report requirements in § 4010.8(a)(5) in effect as of December 31, 2007, apply.

(i) *Plans subject to special funding rules under sections 104, 105, 106 and 402(b) of the Pension Protection Act of 2006.* Instead of the requirements of paragraph (a)(11) of this section:

(1) In the case of a plan year for which the application of new funding rules is deferred for a plan under sections 104, 105, and 106 of the Pension Protection Act of 2006, Pub. L. 109–280 (dealing with plans of certain rural co-operatives, certain plans affected by settlement agreement with PBGC, and certain plans of government contractors), the requirements in § 4010.8(a)(5) (in connection with the actuarial valuation report) in effect as of December 31, 2007, apply to the plan.

(2) In the case of a plan year for which a plan is subject to section 402(b) of the Pension Protection Act of 2006, Public Law 109–280 (dealing with cer-

tain frozen plans of commercial passenger airlines and airline caterers), the plan must meet the requirements in connection with the actuarial valuation report in accordance with instructions on PBGC's Web site, <http://www.pbgc.gov>.

§ 4010.9 Financial information.

(a) *General.* Except as provided in this section, each filer is required to provide, in accordance with the instructions on PBGC's Web site, <http://www.pbgc.gov>, the following financial information for each member of the filer's controlled group (other than an exempt entity)—

(1) Audited financial statements for the fiscal year ending within the information year (including balance sheets, income statements, cash flow statements, and notes to the financial statements);

(2) If audited financial statements are not available by the date specified in § 4010.10(a), unaudited financial statements for the fiscal year ending within the information year; or

(3) If neither audited nor unaudited financial statements are available by the date specified in § 4010.10(a), copies of federal tax returns for the tax year ending within the information year.

(b) *Consolidated financial statements.* If the financial information of a controlled group member is combined with the information of other group members in consolidated financial statements, a filer may provide the following financial information in lieu of the information required in paragraph (a) of this section—

(1) The audited consolidated financial statements for the filer's information year or, if the audited consolidated financial statements are not available by the date specified in § 4010.10(a), unaudited consolidated financial statements for the fiscal year ending within the information year; and

(2) For each controlled group member included in the consolidated financial statements (other than an exempt entity), the member's revenues and operating income for the information year, and net assets at the end of the information year.

(c) *Subsequent submissions.* If unaudited financial statements are submitted as provided in paragraph (a)(2) or (b)(1) of this section, audited financial statements must thereafter be filed within 15 days after they are prepared, if they are prepared. If federal tax returns are submitted as provided in paragraph (a)(3) of this section, audited and unaudited financial statements, if prepared must thereafter be filed within 15 days after they are prepared.

(d) *Submission of public information.* If any of the financial information required by paragraphs (a) through (c) of this section is publicly available, the filer, in lieu of submitting such information to PBGC, may include a statement with the other information that is submitted to PBGC indicating when such financial information was made available to the public and where PBGC may obtain it. For example, if the controlled group member has filed audited financial statements with the Securities and Exchange Commission, it need not file the financial statements with PBGC but instead can identify the SEC filing as part of its submission under this part.

(e) *Inclusion of information about non-filers and exempt entities.* Consolidated financial statements provided pursuant to paragraph (b)(1) of this section may include financial information of persons who are not controlled group members (e.g., joint ventures) or are exempt entities.

§ 4010.10 Due date and filing with the PBGC.

(a) *Due date.* Except as permitted under paragraph (b) of this section, a filer must file the information required under this part with PBGC on or before the 105th day after the close of the filer's information year. The filing deadline is extended to the 106th date after the close of the filer's information year if the 105-day reporting period includes February 29.

(b) *Alternative due date.* A filer that includes the statement specified in § 4010.8(b)(1) with its submission to PBGC by the date specified in para-

graph (a) of this section must submit the actuarial information specified in § 4010.8(b)(2) within 15 days after the deadline for filing the plan's annual report (Form 5500 series) for the plan year ending within the filer's information year (see § 2520.104a-5(a)(2) of this title).

§ 4010.11 Waivers and extensions.

(a) *Aggregate funding not in excess of \$15 million.* Unless reporting is required by § 4010.4(a)(2) or (a)(3), reporting is waived for a person (that would be a filer if not for the waiver) for an information year if, for the plan year ending within the information year, the aggregate 4010 funding shortfall for all plans (including any exempt plans) maintained by the person's controlled group (disregarding those plans with no 4010 funding shortfall) does not exceed \$15 million.

(b) *Other waiver authority.* PBGC may waive the requirement to submit information with respect to one or more filers or plans or may extend the applicable due date or dates specified in § 4010.10 of this part. PBGC will exercise this discretion in appropriate cases where it finds convincing evidence supporting a waiver or extension; any waiver or extension may be subject to conditions. A request for a waiver or extension must be filed in writing with PBGC at the address provided in § 4010.10(c) no later than 15 days before the applicable due date specified in § 4010.10 of this part, and must state the
